

Curriculum Vitae

Md Jamil Uddin

IT Engineer & Developer

About Me

I'm Jamil Uddin, have more than one year of experience in IT support and front-end development. I am flexible & friendly to work in a team as well as a person and always eager to learn new things. Right now, I'm looking for a challenge where I can share and contribute my skills, capabilities and resources. <https://jamiluddin.w3spaces.com/>
